

3900 South & 500 West Intersection and Pedestrian Access to Light Rail

Project Description: **Construction, pedestrian bridge and intersection improvements**

This project is a partnership between South Salt Lake City, Salt Lake County and UDOT. The project will improve safety for pedestrians with the construction of sidewalks and a new pedestrian bridge spanning 3900 South near the TRAX station and Salt Lake Community College's Meadowbrook Campus.

Total Project Budget: **Approx. \$2 million (total project cost)**

Anticipated Schedule: **This project is scheduled for construction during the 2006 construction year.**

NOTE: Schedule information listed above is estimated and could change without notice based on funding, scheduling constraints, stakeholder issues, and other unanticipated project elements.
